r	On 12 January 1955, a large cargo ship of about 10-12,000 tons gross was being refitted in Basin No. 6. This ship was originally, in 1939-1940, under construction in Denmark for the Blue Star Line. When the Germans overran Denmark they completed the ship which sailed under the name of SEEBOHM. The ship was sunk in the Baltic and was raised by the Poles in August 1954. She is now being rebuilt.
